CANCELLATION OF MEMBERSHIP AGREEMENT BY MEMBER

All Memberships are auto renewing. The Membership will auto renew into a month to month commitment after the initial commitment has been met. You may cancel after the initial commitment by filling out the Cancellation Form and providing it to us no less than ten (10) business days prior the renewal billing cycle date.

You may cancel this Membership Agreement at any time; there is a cancellation fee due to one months membership amount if you choose to cancel before the end of the membership for memberships that have not met their original commitment. You must provide Skyre Spin & Sweat written notice via the Cancellation Form, located on our website, no less than ten (10) business days prior to the due date of your next billing payment.

This Membership Agreement may be cancelled upon receipt of written notice via email using our Cancellation Form for (1) the death or disability of the member, and the member is unable to receive all of Skyre Spin & Sweat' services which the member has contracted. The member, or the member's estate, shall be relieved from obligation of making payment for services other than those received or obligated prior to the death or onset of the disability (subject to the signed doctor's note regarding the nature of the disability); and (2) the member moves further than twenty five (25) miles from Skyre Spin & Sweat. The member shall provide proof of new residence.
